Hi,

I graduated MSc in Art studies. I also got few scholarships from places such us:

- Maria Grzegorzewska University in Warsaw (2016–2020),
  - Capital City of Warsaw (2016–2019),
- and Minister of Science and Higher Education (2020).

My work includes variety of styles such us: printmaking, digital graphics, painting, artistic fabric, design and installation.

Nature is a big part of my work as it's something which we struggle to fully understand as humans. In my work I want to express all powerful and unknown elements of nature.
