Thank you for your purchase at Szkło.
Szkło is Polish for glass and is pronounced /shkwo/. At Szkło we blow limited editions of unique, hand-crafted glassware. Szkło has Polish roots and is currently based in Amsterdam, where it was founded by Aleksandra Zawistowska in 2021. We are grateful for your support and we hope you will enjoy your Szkło.
To make sure your Szkło serves you for longer, we do not recommend washing it in a dishwasher. If your Szkło has any imperfections, such as visible grains of sand, it is because it has been hand-crafted, with the use of natural materials, and that's what makes it unique.
